RRM 4820

SKU: RRM N3701 48.20

- High density polyethylene or injection molded plastics are rugged and reliable
- Secure strapping for additional support and item safety, model depending
- Nest ratio up to 4:1, saves on return freight and warehouse storage space
- Resist contamination, bug infestation, mold, mildew, easy to clean
- Eliminates the need for heat treatments and fumigation, cutting costs
- Plastic build material can be recycled and reused when out of service
- Lids for pallet rack options, variety of colors, multiple sizes
- Distribution centers, bulk item transport, warehousing, storage, shipping
- Highly efficient return transport and warehousing unused pallets
