

PLASTIC
PALLET PROS

RRM Endur 6R

SKU: RRM SR1712 48.40

SPECIFICATIONS

DIMENSIONS

Dimensions (L/ W/ H): 48 / 40 / 6 (in)

LOGISTICS

Weight	46 (LB)
Maximum Load Dynamic	4,400 (LB)
Maximum Load Static	13.200 (LB)
Racking Capacity	2,200 (LB)
Pallets Per Stack	30

53' Truckload - Quantity - 510

MATERIAL (If Applicable)

RRM Endur 6R

SKU: RRM SR1712 48.40

- Environmentally Friendly
- 100% Recyclable
- Optimal material handling through the use of grommets
- Excellent performance for high static and racking loads
- Robust design with a low damage rate
- An economic alternative for the heavy-duty segment
- Designed with a shock-absorbing deck design
- Produced with post-consumer resin to create a circular environment

OPTIONS:

- Anti-slip grommets under deck
- Grommets under runners
- Safety rims 0.24 in
