SKU: RRM N119 47.32

- Offers outstanding nesting capability, durability, enabling hundreds of work cycles and easy forklift entry when nested
- This pallet has three levels to prevent goods slipping
- It is designed for long term re-use and it is fully recyclable at the end of its working life
- Monitoring is enabled by adding a barcode sticker, a QR code and there is a designated location to attach an RFID sticker
- An ideal pallet for the food, fashion, agricultural and pharmaceutical industries
