RRM NestPC 2942

SKU: RRM N3801 29.42

- The perimeter lip helps reduce product damage by securing items and minimizing unnecessary related costs.
- The molded-in top deck texture enhances the coefficient of friction (COF), helping to prevent product slippage.
- Injection-fed compression molding technology, utilizing compatibilized materials, delivering superior durability, impact resistance, and optimized performance.
- RFID capability.
- Engineered for safety, with a lightweight design and ergonomic handles helping prevent injuries and promote secure handling.
